When the year slips into the festive rhythm of the Christmas season, we invite you to pause with us and feel the timbre of many valuable encounters, projects and partnerships.

In the world of paints and coatings, creativity, research and passion give rise to a polyphonic interplay of tones, shades and enduring quality. Every tone, every layer applied this year is a visible sign of our shared creative energy. Only through trust, openness and collaboration do harmonious and sustainable successes unfold.

We warmly thank you for the relationships that connect us and enable us to transform ideas into colorful creations. May this festive season bring joy, harmony and radiance to you and your loved ones. And may the coming year bring us all new, creative color experiences and many successful moments.

Happy holidays and a healthy, colorful New Year!
