

Samples and Tests

Tariffs 2022

Monopol Colors makes a charge for preparation of samples, quality assurance monitoring and written reports, at the following rates. If an order is forthcoming within six months, Monopol Colors will offset the amounts charged in full or in part. All amounts are in Swiss francs, excluding VAT.

Sample plates

Plain colors	per item	150.–
Special effect colors	per item	250.–

Standard samples: aluminium plates, form DIN A4, spray application.
 Other parameters available on request. Crediting the amounts per shade: for an order within six months and an order volume of at least CHF 2,500 (without VOC, excl. VAT).

Liquid samples

Liquid samples per color	per kg	150.–
--------------------------	--------	-------

Work on object or at customer location

Assessment of condition of object	per hr	120.–
Special effect colors	per piece	250.–
Report on assessment of condition	per language	500.–
Application of samples	per hr	120.–
On-site quality assurance monitoring	per hr	120.–
